Commodity Fact Sheet
(Effective 1/1/05)

- **PRODUCT:** Grapefruit (GF)
- **ACCEPTABLE PRODUCTS:** Fresh Whole Grapefruit including pink-, red-, or white-fleshed varieties. If the variety is easily identified, enter that information in the “Variety” section of the SIF. If the variety is not available, leave the “Variety” field blank. Sample collectors should not confuse the brand or trade name (i.e., Dole™, Libby’s™) with variety name on the SIF.
- **UNACCEPTABLE PRODUCTS:** Fresh fruit salad mixtures, cut peeled grapefruit in bottles or cans, or cut in halves. Grapefruit juice.
- **AVAILABILITY:** Year round.
- **SAMPLE SIZE:** 5 lbs (minimum of 2 grapefruit).
- **PACKAGING AND SHIPPING:** Ship with minimum gel packs. Desired transit temperature: 45 to 60° F, 7 to 15° C; relative humidity 90 to 95%.
- **ETHYLENE PRODUCER/SENSITIVE:** Sensitive (moderate).
